

Geoffrey Burton (guitarist/producer)

Although Geoffrey Burton is probably best known in Belgium as Arno's sidekick , with whom he played from 1993-2007, and as a member of the band Hong Kong Dong, he has always lent his musicianship and quiet often atypical approach to guitarplaying to various artists and various styles of music. From the Euroblues of Arno to the Afrobeat of Feso Trombone, from the very composed electric chambremusic of Piet Jorens' Kammer Orchestra to the very free improvised concerts with Dick Van Der Harst and Giovanni Barcella, the sound of Geoffrey Burton is always easily distinguished. Early on in his career Geoffrey Burton started producing local bands like Cali, Mambo Chillum, Absynth Minded and Yasmine.
